Who we serve

Seniors, veterans and adults with disabilities on fixed incomes. One call connects them to housing placement, rental assistance, benefits enrollment and ongoing case management — so no one slips through the cracks into homelessness.

Below-market housing pipeline

Our housing provider partners offer rooms and studios starting around **\$700–\$860 a month, utilities included** — far below the area's average rent of over \$1,600.

New in 2026: food stamps help

SDA is now an authorized partner of the **Florida Department of Children and Families** for SNAP (food stamps) application assistance. Year-one goal: help **50 people** apply.

Your gift at work

\$150 Move-in support: application and processing fees for one person.

\$500 Security deposit to help a veteran move into a new home.

\$1,000 Emergency stability grant to prevent an eviction.

Veteran outreach

We help veterans facing homelessness move into stable, private-market housing with full wrap-around support.

Your support builds the bridge to stability.
