Grant Pitch Sheet — 2026 Year-to-Date

Who We Are

SDA Elderly Care Referral Service helps seniors, veterans, and adults with disabilities find safe, affordable housing and the benefits that keep them housed. We are a central intake hub: one call connects a vulnerable adult to housing placement, rental assistance navigation, benefits enrollment, and wrap-around case management — so no one slips through the cracks into homelessness.

2026 Impact — Year to Date (with 2 months still to go)

- 902 client cases worked
- 890 cases closed with a recorded outcome
- 109 housing placements into studios, apartments, assisted living, and transitional rooms
- 15 Florida counties served, anchored in Orange, Seminole, and Osceola

New in 2026: DCF Food Stamps (SNAP) Partnership

SDA is now an authorized partner of the Florida Department of Children and Families to provide SNAP application assistance — from first sign-up through document checks and yearly renewals. Housing clients who need food assistance are now served in-house instead of being referred away.

Year-one SNAP enrollment goal: Help 50 people apply for food stamps (SNAP) in the first 12 months.

What Funding Supports

- Direct rental assistance and move-in support (Bridge to Home Fund)
- Housing search and placement for seniors, veterans, and adults with disabilities
- SNAP and state benefits enrollment through our DCF partnership
- Case management that prevents eviction and homelessness before it happens

Why SDA

Funders get measurable, multi-area impact from one organization: housing placements, closed cases, and — through our state partnership — countable SNAP enrollments. Every dollar moves a named, tracked client toward stable housing.
